25X15

1. Bau-Union Sued of the Ministry of the Interior is at present working on a project for the construction of an Institute for Light Construction (Institut fuer Leichtbau) for the Main Administration for Industrial Requirements. The institute is to be located on Klisenstrasse in the so-called "Swiss Quarter" (sic) of Dresden. The blue-prints of the institute were prepared under the supervision of Prof. Lewicky (fnu), of Dresden Technical University.
2. The institute is to have a school building, a workshop and a production hall for aircraft model production. It will be affiliated with Dresden Technical University. Its main function is to train aeronautical engineers.
